## DELI & MEAT

## PRICE GUIDE

*Welcome to Harter House*

**Famous for Fine Quality, Choice Meats Since 1973**

In November, 1973, Jerry and Barbara Bettlach opened Harter House Meat Market in a small store on West Sunshine in Springfield, Missouri. The store was a lot of work, but everyone pitched in. Jerry cut the meat, Barbara kept the books, and each of the five kids pitched in to help with different jobs.

From the very beginning, Jerry and Barbara believed that there was really only one key to having a successful business. Treat the customer right!

Today, Harter House has eight locations to serve you.

Our business has continued to increase every year, thanks to a loyal following of friends who appreciate the way we strive to serve them whenever they shop at our store.

We still put our emphasis on quality meats and a full-service meat staff to make sure you get the exact cut you need every time you shop. We've developed such a following that many of our customers special order meat gift packs to give to friends and relatives around the country (mostly at holiday times).
